

Tri-Height Stage

Features

SICO® Tri-Height Mobile Stage units conveniently adjust in 6" or 8" increments and in two or three heights for maximum built-in flexibility. You can set up a single level for performances, meeting-room stages, fashion runways, or head table settings. Or go with tiered configurations for seating or risers for musical performances.

Create multiple configurations that optimize your guest experience and streamline your event staff operations. This stage is designed to be handled and set up by just one person, minimizing labor and cost year over year.

- ① Heavy-Duty Reversible Decks
