

Harmony Choral Riser

Features

Sturdy, Safe, Simple Stage Risers — in 3- or 4-tier Options. With SICO® Harmony Choral Stage Risers, you just roll each self-contained unit into place, lower the steps with one fluid motion to the floor, lock it to the next unit, and it's show time! When in use, each unit rests on 10-12 solid points of contact, so the risers remain solid and quiet. Each step is fully carpeted and positioned to keep heels from slipping off the back edge.
